WHAT PEOPLE SAY ABOUT US

Enjoyable place at a very reasonable price when you include the lessons you get from an actual U.S. Olympic medalist Ilija Lupulesku. It's not a cramped experience like at the other bar pong places. And you have folks at different levels willing to play with you on any given day.

Raminder Chadha

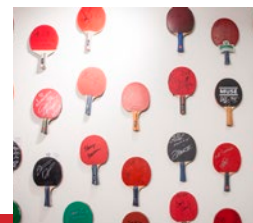

Killerspin house has a very nice facility, and for as little as \$1 a day for an annual membership, you can play there the whole day and you can attend two lessons per week from a world class coach. Both staff and regular players over there are very friendly.

Rebecca Cai

Awesome place in the city to get your game on. Nice aesthetics.

Arcot N

Killerspin is committed to help you create memories with those you care about through highly designed table tennis experiences
